ABOUT ME

Dynamic and creative Howard University School of Communications alumna with a Bachelor's in Film and TV Production, showcasing expertise in videography, theatrical technicality, and graphic design. Served as an AV Tech for various Hotels and Alfred Street Baptist Church, providing essential AV support and monitoring to guests and staff, maintaining technology infrastructure, and swiftly resolving technical challenges to ensure a smooth guest experience. Currently a contracted videographer; Aliyah offers a comprehensive skill set for visual media production, backed by proven technical proficiency and creative media forms.

WORK EXPERIENCE

VIDEOGRAPHER

Clear Vision productions (2023-Present)

- Filming high-quality content on various cameras (DSLRs) to capture large amounts of content including interviews, events, meetings, and services.
- Collaborating with clients and fellow artists to develop shots and manage equipment to ensure the best content.
- Uses various software to edit shot videos (assembling footage, creating graphics, and performing color correction).

A/V SPECIALIST

Marriott & Hilton Hotels, Alfred Street Baptist Church (2023-Present)

- Operates complex A/V mixing boards for live broadcasts and presentations, adjusting levels and transitions in real-time.
- Provides technical support for A/V equipment, quickly diagnosing and resolving issues under pressure to maintain uninterrupted service.
- Collaborates with production teams and clients in fast-paced environments to meet strict deadlines and event requirements.

SOCIAL MEDIA MANAGER

AG Media Agency (2021)

- Analyzed social media performance data (e.g., engagement rates, reach, conversions) to inform future strategy and optimize campaigns.
- Created compelling and relevant content weekly
- Interacted with multiple media accounts to boost engagement.
